Outdoor Report:

Cliff Clarke

outdoors@troop233.com

All money needs to be turned in 2 weeks prior to any campout. This enables us to plan accurately for meals and drivers. If the money is not in by 2 weeks prior, the scout will not be able to attend the campout/activity. If the scout is unable to attend after he has paid, money cannot be refunded after the food is purchased.

There are two ways to pay, either at the meeting or by mail to Cliff Clark (address can be found on the troop roster).

Checks should be made payable to Troop 233, or pay by cash two weeks prior to the outing. Required **Emergency Consent for Minor, Emergency Phone Numbers, and Transportation Information** forms can be obtained from the Outdoors Chair or from the Troop 233 website.

Here is the schedule of outings.
